WORK EXPERIENCE

Eden Senior Care | Remote Compliance Specialist

July 2024 - August 2025

- Maintained accurate resident account records across a high-volume portfolio, ensuring compliance with legal documentation requirements.
- Evaluated existing workflows and implemented process improvements that enhanced operational efficiency.
- Maintained data integrity across multiple-facility databases, demonstrating high attention to detail and organizational structure.

CommPeak | Compliance Specialist

November 2022 - February 2024

- Conducted internal compliance investigations and responded to third-party requests including vendors, regulatory bodies, and government agencies.
- Performed KYC verification and documentation review for new and existing clients to prevent abuse of services and ensure regulatory adherence.
- Collaborated with internal and external stakeholders to collect required documentation and communicate regulatory updates.

CommPeak | Quality Assurance Analyst

August 2021 - October 2022

- Audited customer interactions and provided insights and reports to management to enhance process quality and operational performance.
- Identified process defects and recommended improvements to increase accuracy, efficiency, and help make data-driven decisions.
- Delivered feedback and coaching to team members based on audit findings.

CommPeak | Customer Data Specialist

July 2020 - August 2021

- Provided responsive and high-quality support to end users via chat and email, ensuring timely issue resolution and excellent customer experience.
- Maintained and continuously updated the team's knowledgebase and documentation to enhance efficiency, consistency, and service quality.
- Ensured timely resolution and service satisfaction through effective communication and problem-solving.

Opsify Philippines | Customer Support Specialist

April 2017 - January 2020

- Managed back-office coordination between suppliers, operations teams, and customers to support order fulfillment and service delivery.
- Provided proactive updates and handled escalations to maintain strong service satisfaction.
- Provided customer support across multiple communication channels with accuracy and professionalism.
